## Selectmen's Meeting

### WANT TO TAP FORCE MAIN

Edwin Livingstone, a New Bedford attorney, and Thaddeus Walega appeared before the Board of Selectmen with a proposal to tie into the force main to sewer a tract of land which they own and want to develop in the Brandt Island area. Mr. Livingstone told Selectmen that he and a partner own 250 acres of land northbound by High-on-a-Hill Road and that other large landowners also may be interested in order to open up a development with the best view of Buzzards Bay on this section of the coast. He termed it the "Padanaram of Mattapoisett". He said the land is very difficult to build upon because the new percolation tests require the digging of huge septic areas. He said that he realized that a pumping station would be required but said he was willing to pay the cost of a station to take care of his own land.

Selectman R. William Blasdale, who was Mattapoisett negotiator with Fairhaven,

pointed out to Mr. Livingstone that the town has a limited capacity which is written into the present contract with Fairhaven. He said that when the system now under construction is complete it will account for about 50% of the limit. At that time he said, the town may decide to continue the system to include satellite sections of the same sewer lines or could consider new sections altogether but still under the same limits of capacity. He said the 12-inch line of force main is designed to carry that amount of flow in an efficient manner. If, in the future, new negotiations with Fairhaven allow more capacity, then a parallel force main line must be installed to handle this new volume. He said that a pumping station in the Brandt Island area should not be designed to handle Livingstone's land alone but should have the capacity to handle all of that area when the need arises. Mr. Blasdale suggested a joint meeting between the Board of Selectmen and Planning Board to formulate a future policy regarding proposed additions to the sewer system. Chairman William F. Hubbard agreed that the

Board of Selectmen will have to submit in-formation soon to Fairhaven on the future need of the town for treatment capacity. He said that immediate action is needed to gather such information. The Selectmen, acting upon a proposal by Mr. Blasdale, agreed to obtain a feasibility report from the town sewer engineering firm for Livingstone and Walega on their proposal to tap into the force main. The Selectmen agreed to meet with the Planning Board at the earliest opportunity to look ahead for future needs.

### DISTRICT NURSE SAYS

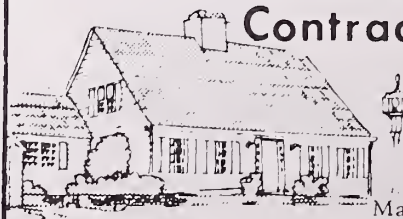

### STATE FORCING REGIONALIZATION

District Nurse Margaret Sylvester asked Selectmen's support for her effort in behalf of the District Nurses' Association to insert a grandfather clause in the new State rules and regulations regarding state public wel-fare home health services. She said that new mandates require an academic degree for administrative work. Mrs. Sylvester would suggest that a nurse with many years of ex-perience be allowed to count that experience toward administrative qualifications. A new regulation which requires that nurses be on duty from 8 A.M. to 9 P.M. she said is not realistic for towns and is simply not needed. Mrs. Sylvester said that, in her opinion, the state is trying to make the towns regiona-lize by making the regulations too expensive

for individual towns to afford. Mrs. Sylvester said that the nurses now take care of all needs without these expanded hours and, in addition, respond at any time they are needed. She did suggest that the town look into a beeper system for the nurses. She said that originally home care was proposed as cheaper than institution care but the

## DUFF PLUMBING ANNOUNCES

We have added another truck to our fleet expressly for the Marion, Wareham & Rochester area residents. We have had such an increase in calls that we have decided to install a direct, toll-free "Hot Line" for these customers. We have our plumber, Chet, who is a local resident and knows the area well. He will have a well-stocked supply of plumbing needs right at hand.

Are you disappointed to find yourself waiting two days for a plumber, then have him arrive with a helper to carry the tool box, and receive a bill for two men? We pride ourselves on sending one man on service calls.

We take good care of our old customers; it's new customers we are looking for.

new rules and regulations will soon make such care as expensive as institutional. She said that other towns now cooperate closely but all resist regionalization as not as good for the patients and as more expensive for the towns.

The Selectmen agreed to support Mrs. Sylvester's position with a letter and reiterated that if the state is going to mandate programs then the state should bear the cost.

CANAL "VICTORY" BUOYS CARTER

Editorial - D.C.J.

Except for the quotes the headline said it in that way. According to reports President Jimmy Carter phoned immediately after the Senate acted to congratulate Senate Democratic Leader Robert C. Byrd on "a beautiful vote". According to the story the hallways of the Senate chamber were jubilant as administration officials jumped up and down and hugged each other. Sixty-eight Senators - 52 Democrats and 16 Republicans - chose to ignore the wishes of the majority of the American people to vote to turn the Panama Canal over to the Panamanian Government controlled by a military dictator, Torrijos. In Panama, he expressed some thought also following the Senate vote. He said in part: "The armed forces had decided that if the treaty was not ratified, or if it was amended in an unacceptable manner, then we would not negotiate. We would have started a struggle of liberation. Possibly by tomorrow the canal would not have been in operation. If they invade they will find a canal destroyed. If they try to invade, we will destroy the canal."

Jimmy Carter's "beautiful vote" has turned the Panama Canal over to a leftist dictator

## Miss Wareham Pageant

Members of the Scholarship Pageant Committee are pleased to announce that the Miss Wareham Pageant of 1978 will be held on May 13 at Old Rochester Regional High School in the Gilbert D. Bristol Auditorium.

Miss Wareham means much more than a crown, fun and pleasure.....The young lady who wins the title represents the community, the scholarship pageant committee and, most of all, herself. She is rewarded in many ways through scholarships, gifts and the honor of competing for the title of Miss Massachusetts and possibly - Miss America.

The Miss Wareham Pageant is the local preliminary to the Miss Massachusetts Pageant and ultimately to Miss America. The Miss Wareham Pageant is not a beauty pageant. Much more than physical beauty is considered. A candidate in the pageant activities participates on four levels of competition: a five-minute interview with a panel of judges, swimsuit and evening gown competition and a talent presentation.

Any young lady wishing to be a contestant may call Karen Fihlman at 295-6120 or Jean Da Silva at 748-2281 for an application and any further information.

## Youth Hockey

The annual Rochester Youth Hockey Awards Night was held April 14. We would like to thank all the parents and players for their participation. All players received certificates from the Association. Special awards went to the tournament co-champs, the Kodiaks. Each player received a trophy from their coaches, Bob Caswell and George Haymaker.

The season champion Sippican Supply Midgets received personalized certificates from their coach, Woody Hartley, and championship jackets from their sponsor, Arnold Briggs of Sippican Supply.

A reminder to all RYHA friends - a Steer Bake is being planned for July 15. If you are interested in working on the committee

## Barbershop Concert

The feature barbershop quartet for this year's concert of the Harpoon Harmonizers will be "The Four Rascals" who placed second in two previous international competitions. This concert will be held at the New Bedford High School auditorium this Saturday, April 29th.

This will not be the first time the "Rascals" have sung in New Bedford. Their first appearance here was when they were ten to fifteen years of age, reminiscent of the young Ronnie Jacobs who impressed a local audience last week in the High School production of "Mame".

### Energy Van

SEE NEW FORMS ON ENERGY AT WORK

What's bright as the sun, full of "energy", travels across the state during April and May, and goes out of existence in June? It's the Massachusetts League of Women Voters' Energy Van.

On April 26 and 27 from 10 A.M. to 9:30 P.M. its exhibits will be displayed in the North Dartmouth Mall and on April 28 it will be at SMU near the auditorium.

The van, funded by a U.S. Department of Energy grant, is filled with exhibits of alternative sources of energy (wind, biomass, solar, and conservation).

Many of the exhibits are working models.

The van will travel to many cities and towns in Massachusetts during April and May. In Dartmouth, League Energy Chairman Jeanette Smith and LWV Energy Committee members will be present to answer questions about the exhibits. In explaining the exhibits, they will use expertise acquired during a two-year study of energy issues and different sources of energy.

If you have heard about wind power, but never seen a water-pumping windmill; heard

## Human Services

STRESS - STRESS - STRESS

A workshop on stress reduction will be held by the Marion Center for Human Services on May 9th at the Center's facilities at 335 Wareham Road, Marion. The workshop, which is designed to help people identify and reduce stress and learn various relaxation techniques, will be held from 12 to 2:30, and again from 7:00 to 9:30 in the evening for the convenience of working persons, and will be repeated on May 23 and June 6.

The workshop leader, Dr. Don Angell, is a psychologist and writer who has worked on human relations and rehabilitation as a professor with the Department of Human Resources at the University of Scranton, chief of counseling services at the Penn-

In this issue of Presto Press you will find our ad listing all trips to June 2. Please cut it out and save for future references. Note especially the variation in departure times, depending on the distance that we have to go or the time that we want to arrive at our destination.

This Saturday is Circus Day for Mattapoisett Seniors. Do not forget that the big bus leaves at 9:00 A.M. We hope that all of you got your tickets in time. If any of you were left out you might contact the Selectmen's Office and see if there are any last minute turn-ins by someone not able to go.

You will note that we have set the date of the Heritage Plantation earlier than last year. We are assured that this date (June 1st) should be right in the middle of the rhododendron blossoming season. We are leaving a little later so that we may have

our picnic before entering the Plantation, and we will have more time to leisurely examine the flowers and exhibits. Last year we rushed a bit and had a late lunch.

For a new trip this year we will schedule one or more trips to Cuttyhunk Island. It will be a nice boat ride from New Bedford (about 1 3/4 hours) and you may either eat in one of the hotels or take a picnic lunch. A trip will be scheduled after June 15 when the boat starts to make daily trips.

Please remember to make your reservations at the Town Hall, either by a visit or telephoning (758-3758).

## "Medea"

### THEATER ARTS PROJECT

An ambitious and stimulating production of Euripides' MEDEA adapted by Robinson Jeffers has been in the planning since last fall. Mike McNamara, director, has cast the vibrant young actress Kathy Cabral in the role made so popular by Judith Anderson. Other cast members include Sally Jones, Tom Gilmore, Marcelle Gauvin, George W. Hayden, Kelley Fusaro, Frank Kiman and Carol Fernandes in principle supporting roles with Kevin Michael Feeley as Jason.

This version of the Greek classic tells how Jason forsakes his wife from Colchis and takes a new bride for political advancement. Forsaken in a strange land, Medea rages with thoughts of revenge, lust and murder; and the most wanton horror for her husband Jason. This most eloquent drama reaffirms Robinson Jeffers' preeminent place among modern American poets/playwrights.

MEDEA as produced by the Theater Arts Project in association with the Gateway Players is a must for teachers, students and follow-

## Mattapoisett Grange

This is to notify all Mattapoisett Grange members of a meeting to be held at Grange Hall Monday night, May 1st, at 8 P.M.

This is a very important meeting to discuss the future of the Grange organization in Mattapoisett. It is expected that the State Secretary will be with us; also the State Master and other officers may be in attendance to try to iron out some sort of action to be followed.

This, as I say, is vital to the organization and I urge all who can to come, and make a special effort to arouse other members to be with us that night.

Dennis Sylvia, Master

## Pony League

Any Mattapoisett youths who would like to try out for Pony League baseball may do so Saturday, April 29th, at the ORRHS field at 12:00.

Eligible are youths 13 or 14 years (too old for little league) who will not reach their 15th birthday until on or after August 1, 1978.

SATURDAY PROGRAM - APRIL 29th

In a celebration of all things related to Spring, Mrs. Gladys McGill and Miss Hulda Hathaway will conduct their traditional May Basket making program on April 29th. Don't miss this opportunity to bring something home for Mom. The program begins at 2:00 P.M. at the Russells Mills Center. Please call ahead to register. The program is limited to 30 and there is a small admission charged.

FIELD WALK - APRIL 29th

The free Saturday morning field walk at the Museum Outdoors will be an outdoor session on sketches of Spring. Materials will be provided.

## SILVERCIRCUS

The Children's Museum Spring Silvercircus turned out a sizeable crowd to benefit the Museum despite the low temperatures of the afternoon. All entries in the Pet Show received blue ribbons for their exceptional knowledge of their healthy animals, which

included dogs, snails, a mallard duck, chickens, and a pigeon, and the careful attention given to their care and feeding. The winners of the Dartmoor Farm Riding Lesson contest were Amy Szal of Westport, Patrice Tiedemann of New Bedford, and Jeff Perry of Dartmouth. A warm thanks to all those who attended our celebration.

## Student Dismissals

We receive repeated requests for dismissals for family vacations. We ask that families planning to take a child from school for family vacation consider carefully the impact of this absence on the student's progress. Teachers are available for after school help. If the teacher could accomplish with 125 students in a once weekly one hour after session the same learning that comes about in meeting five times with groups of twenty-five over the period of a week, we should not need to have classes but only make-up.
